Winter Family Camp Miscellaneous Info

When You Arrive, please park in the parking lot and come to the Lodge (office next to the parking lot) to register, pay any remaining balance, get your cabin assignment and packet of information. Then head to the Dining Hall to enjoy food and fellowship!

Mealtime Announcements!

We will make important announcements during each meal once everyone has been served. Communication is important and we'll do our best to be short and sweet! Please remain in the Dining Hall until you hear the announcements. On Saturday morning please make sure your child(ren) are in the Dining Hall by 9:45am so we can begin our program.

Accommodations for Small Children

We have about 8 highchairs and booster seats for meals, as well as two Pack-n-Plays. If you are able, please feel free to bring your own play-pens, highchairs, etc.

Supervision of Children

While the parents are in their sessions with the speaker(s) (Saturday morning and Sunday afternoon) and also during the wine & cheese social (Sunday night), our staff will provide programming and take responsibility of supervising your children should you choose to leave them with us. *At all other times during Winter Family Camp, parents are responsible for the supervision of their children.*

Cell Phones & Electronics

Winter Family Camp is a wonderful opportunity to get away from distractions and focus on our time together. Please use your cell phone and electronics as little as possible, and if you must make a phone call, we ask that you step away to do so.

Afternoon Activities

We will have several activities for Saturday afternoon. More information will be shared the week of Winter Family Camp!

First Aid Kits

There are first aid kits in the Lodge and the Dining Hall (next to back doors)
