3. Click on "Forgot your login information?"

The screenshot shows the Ultra Camp login interface for Antiochian Village Camp. At the top, there is a banner with the camp's name. Below the banner, a navigation bar includes a menu icon, links for RESERVATIONS, DONATIONS, and MAKE A PAYMENT, and a 'LOG IN' button. The main form is titled 'New or Returning User'. It contains fields for 'Username / Email' and 'Password', both marked as 'required'. Below these fields are the 'LOG IN' and 'NEW USER' buttons. At the bottom of the form, there is a link 'Forgot your Login information?' which is highlighted with a red oval and two red arrows pointing towards it from the sides.

4. The username for **ALL** family members to login is the **email address of the primary contact** on your account. Any members of the family will use the same username and password to login to access the family account. If your spouse is listed as the secondary contact on the account, they will be able to reset the password using their email address (if listed on your account). BUT the login username is still the email address of the primary contact.
